Hundreds Attend 2009 Pancake Dinner

Kudos and thanks to the members and families in making the Pancake, Buckwheat, and Sausage dinner another successful event. Once again the cooks and dinner crews met on the 3rd Saturday in January, served 726 patrons, and grossed \$5,590.80, less \$1,208.39 in expenses, for a total net of \$4,382.41, all for the 32° Masonic Learning Center for Children!

Advanced ticket sales are the key to our success. The Pancake Committee thanks each of you for your efforts. If you are willing to sell tickets in your area for next year's dinner, please contact ticket chairman, John R. Seltzer at 182 Brewster Rd., New Castle, PA 16102, or 724-667-8863. We never ask you to sell more than ten tickets, unless you ask for more! Unsold tickets can be returned to be sold at the door. This dinner is the best deal in the county! Help us spread the word!

The Committee gives special thanks to the Rainbow for Girls and DeMolay from New Castle and Pittsburgh for their efforts in setting up, serving, and cleaning. This year for the first time, students from Cray Youth and Family Services, Inc., in New Castle assisted in the final clean-up. Our thanks to these students for their assistance.

Please mark January 16, 2010 on your calendar for the next Pancake Dinner.

David Smith, Committee Chairman

DeMolay International Honors Dennis Lennox

DeMolay teaches many important lessons, from how one should live to be a servant and a citizen, all the way to character-building and leadership. Keeping this in mind, DeMolay places importance on honoring those to whom honors are due, and there is no better representation of this than the degree of Chevalier.

On January 31st, 2009, New Castle Builders Chapter took a special moment to recognize State Junior Councilor, Denny Lennox (son of Brother Scott Tressler) for his hard work in promoting the DeMolay program in the New Castle area. Denny was honored with the Degree of Chevalier in

a ceremony led by "Dad" Rodney Boyce with help from many Chevaliers from around the state. Congratulations to Denny and New Castle Builders Chapter for a job well done and an honor well deserved.

From the Membership Chairman's Desk

Greetings Brethren,

Freemasonry in the 21st century, is it still relevant?

It is just as relevant today as it was in the 18th—20th centuries and – possibly – more relevant than it has been at any time that we can recall. Freemasonry has served as a comfortable refuge during times of societal turmoil and economic distress. It has been a beacon of light to those who seek to make sense of what otherwise appears to be a human experience with no purpose or direction. As we near the end of the first decade of the 21st century, we can see the need to unite in brotherly love and good fellowship.

During times of turmoil in society and economic uncertainty, Freemasonry has served as a foundation for many. It has promoted religious beliefs – while not replacing religion – and has been instrumental in producing thought processes that have actually helped to shape nations. It has been a behind-the-scenes driving force for freedom and personal responsibility – both very relevant subjects in this 21st century.

What is the benefit to it's members?

This great fraternity offers more to its members than any other. This is particularly true in Scottish Rite Freemasonry. Friendship, networking, leadership opportunities, and community don't even begin to describe the rewards of membership. Want to fill up your social schedule? Join Freemasonry and you'll have more social events than you'll ever be able to attend.

If we are united, our Fraternity must flourish! Brethren, let us join together as a Band of Brothers and share with a friend the experiences we have all had. Tell them that you are proud to be a Freemason! **And very proud to be a Scottish Rite Freemason!** Do you carry petitions with you? Remember the spring class.

Sincerely and Fraternaly,
Your Membership Committee

Hospitaller Program Expanding!

The Hospitaller Program, to provide home medical equipment for the use of our Brothers and their families, is being expanded throughout the Valley of New Castle into outlying areas.

The Valley's Hospitaller, Brother Levi R. Harding, III, 32°, and the Hospitaller Committee are establishing satellite sites where Brothers can pick up canes, crutches, walkers, wheel chairs, bedside commodes, shower seats, hospital beds, etc. This will be accomplished through the efforts of Brothers in various areas of the Valley. The satellite sites will provide as many as four additional locations for storage and will allow easier access to those not located near the New Castle Cathedral.

Satellite sites are being established in the following areas:

Beaver Valley	contact Ill. Jeffrey J. Heasley, 33°	724-601-3229
